Financial Policy

Dear Valued Patient,

The goal of our practice is to provide high quality, compassionate care to all of our patients. An important aspect of our goal is making the cost of optimal care easy and manageable for you.

Our policy remains that payment is due at the time of treatment. We have extensive knowledge of and will help you maximize your insurance benefits. No dental insurance policy covers all treatment costs; therefore we have implemented some very flexible payment options.

Payment options:

- Cash - 10% courtesy accounting adjustment for full payments at inception of treatment
- Visa, Mastercard, American Express, Discover Card, Personal Check
- No Interest¹ Payment Plan² from CareCredit

Our practice believes that a great doctor / patient relationship is based upon open communication. Do not hesitate to talk to our staff about payment plan options prior to, or at any time of your treatment.

We appreciate the trust and confidence you have placed in us for your care.

In the interest of better dental health,

Dr. Fishkin and Dr. Mandel
